

Why donate?

It's a win-win. . .

Your donation supports programs and services to those in Arizona with spina bifida while you receive a **dollar-for-dollar credit** on your taxes!

Spina Bifida Association
of Arizona

Mission

To promote awareness of spina bifida and enhance the lives of those affected in Arizona.

Vision

We envision a day when no pregnancies are affected by spina bifida and those living with spina bifida can do so without being limited by their birth condition.

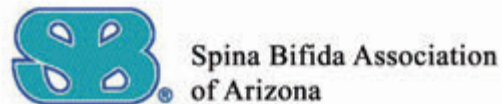

Constituents

In Arizona we see 5 - 8 babies born each month with spina bifida. Due to improved procedures we now have more adults living with spina bifida than children. There are an estimated 2,400 people affected by spina bifida in Arizona.

Ways We Serve

SBAAZ spreads awareness regarding the use of folic acid to reduce instances of spina bifida, and has relationships with diagnostic service providers to distribute accurate information to parents as early as possible. We receive referrals from neonatal intensive care units, establish mentor parent relationships, and offer education and support.

Please see our website and Facebook/SpinaBifidaAZ for additional programs and services to youth and adults.

ARIZONA TAX CREDIT PROGRAM

What's the difference between a tax credit and a tax deduction?

A deduction reduces the amount of income you pay taxes on... a CREDIT will give you money toward your taxes owed, or REFUND money paid!

YES! There is no itemizing required, even "140 A" and "140 EZ" filers can participate.
